Ragtown Gospel Theater Presents

Elizabeth & Mary

Joyful Expectations

June 24th - August 27th

What happens when Zacharias is told that his wife, who is almost seventy years old, is going to give birth to their first baby? Like most men would, he finds it a little hard to believe.

In the meantime, Mary appears with news that she is to give birth to the Son of God. These two blessed women encourage each other as they await the birth of their sons, Jesus and John the Baptist.

This funny, heart-warming story is based on true events related in Scripture. It provides a picture of how ordinary people respond to their supernaturally extraordinary circumstances.
