

GROUP TRAVEL COORDINATOR WORKSHEET

Please remember to collect money for everyone's tickets before you arrive at the theater, and designate ONE person to pay for the tickets at the front counter. That person can distribute the tickets to members of your group.

Also note that the group rate of \$16.50 (plus tax & service charge) is based on a minimum of 12 paid tickets in your group. If your group falls below the 12 person minimum, the tickets will be \$22.00 (plus tax & service charge).
